EDITOR'S REPORT

Hello Ponti-Yackers and GMC Truckers!

I had a fun time at last month's Holiday Party. Sue was unable to attend with a nasty case of the flu. As of this printing, she is finally feeling better. The big news, POCI-wise, is the addition of three new chapters: The Original Owners Chapter (as put forth by our own Chapter 29 member Shano Sancibrian), the Las Vegas Chapter (as put forth with the urging of Thom Sherwood and Ron Berglund), and lastly, I am especially proud of Richard & Valerie Johnson along with myself for getting the Fiero Chapter launched. The Fiero Chapter was a long time in the making. A big WELCOME goes to all of their new members!

See ya at the meeting!

Dave

Happy Birthday.

FROM THE PRESIDENT **THOM SHERWOOD**

Change is Coming in the New Year

I hope that everyone had a great holiday season and that you were able to spend some quality time with friends, loved ones, and your four-wheeled passions!

As we begin to greet the new year, a couple of changes are on the club's horizon. From the local club's perspective, the most important upcoming changes involve our chapter officers. As mentioned last month, **VP Dean Noun** has stepped down from that post to tend to some personal matters.

I, too, must step back from my role as president for a bit so that I can "re-charge." Yes, it has been a busy past two years! I would be willing to assume the VP slot to assist in a smooth transition for the upcoming 2024-'25 term.

Meanwhile, **Treasurer Eric Hahn** has expressed an interest in retaining his position.

Please consider this as an ideal opportunity for YOU to become more involved in the operation of the very successful and respected Arizona Chapter #29. We will be accepting nominations for all three of our chapter offices at the Wednesday, January 10th meeting. Voting will take place in February during our regular Second Wednesday monthly meeting.

In regards to changes happening on the national level, **POCI's Board of Directors** has had to take a hard look at reining-in the increasing costs associated with printing and mailing *Smoke Signals* magazine. One option would have been

CONTINUED NEXT PAGE...

ABOVE: Presenting Kat Delorean with an appreciation plaque at the Roundup. **BELOW:** Our Holiday Party at the Viscount Suite Hotel.

PRESIDENT'S MESSAGE CONTINUED...

to raise our annual club dues, but that idea was not pursued. Instead, the Board has made the decision to reduce the total number of printed issues in 2024 during a two-step transition process that also encourages members to consider switching their membership to a less-expensive digital delivery plan, known as *E-membership*.

For the overwhelming number of POCI's *Regular Membership* members who receive their magazine in the mail, what will happen in 2024 is that the club will print and mail just NINE of its 12 annual issues. Those other three issues (*February, June, October*) will be available to all POCI members but only in a digital download format. Then, in 2025, the total number of issues created and sent out (whether it be printed for Regular, or digital for E-members, will be just nine.

Thereafter, you may opt to continue receiving the magazine in either format. In other words, the PRINT version of your magazine isn't going away; only the number of printed issues produced each year, effective immediately, will be reduced.

Yes, the digital version of *Smoke Signals* saves the club quite a bit of money in the long run since the cost of postage and printing is virtually eliminated. This is the reason why the Board would prefer that the thousands of worldwide POCI members voluntarily switch to the \$25 E-membership plan. And, some of you are already in-tune and comfortable with reading your magazine on a computer screen or smart phone.

Not me. Here are my personal thoughts on this topic: I have always preferred and will continue to opt for the printed version of the magazine through my continued \$45 Regular Membership (or whatever the cost for that might be at some point in the future). Simply said, I prefer to hold *Smoke Signals* in my hands, and I love the ability to glance through its pages without being dependent on an electronic device.

Meanwhile, all of the above magazine delivery changes are happening automatically; you aren't required to make any new decisions nor will you need to take any special actions. Regardless of your current membership plan, you'll continue to receive email notifications each month from the POCI Club Office in Minnesota to alert you when the newest issue of the magazine is posted online and can be downloaded and viewed.

SPECIAL GUESTS RETURN FOR JANUARY MEETING

You might recall exactly one year ago when **Paul and Marjo Prinzing** (pictured above) from Michigan were here with a slide presentation covering the restoration of a GM FuturLiner and its 1956 stop in Tucson. Well, the Prinzing's will be in town again this month, and they will have another fresh slide presentation for our meeting attendees. Please welcome them to our Maria Bonita Mexican Kitchen meeting on January 10th. Arrive for dinner at 6:00pm; the meeting will be called to order at 7:00pm. Family members and guests are always welcomed to attend.

COMING EVENT: 26th ANNUAL BOPC-GMC SHOW

Be sure to register soon for the **26th annual BOPC-GMC Show** in Mesa, Arizona, coming Sunday, March 10th. This is the largest annual event sponsored by our sister chapter, the Valley of the Sun Pontiacs #107.

Early that morning, Tucson enthusiasts will caravan to this show from Northwest Tucson. You may do "Day Of" Registration at the gate upon arrival, but pre-registration is preferred and very much encouraged (plus, you can save \$5 if you submit your registration by March 5th). Look for the Pre-Reg Form elsewhere in this edition of *HOT AIR*.

CHAPTER NAME TAG ORDER STATUS

We are beginning to gear-up for the next round of **Name Tags** for chapter members. Please note that we need a minimum of six or seven tags before we can place the batch order with our vendor. We currently have two members awaiting their tags (Duane Shumaker, Bill Speer), so we need five more orders to fulfill the next order. If you'd like to be included in that next batch, please request an Order Form. Tags are still just \$3 apiece. Reach out to **Thom Sherwood** at output@colorteks.com or (520) 798-3200.

RECOGNIZING and APPRECIATING OUR OUT-GOING VICE PRESIDENT DEAN NOUN!

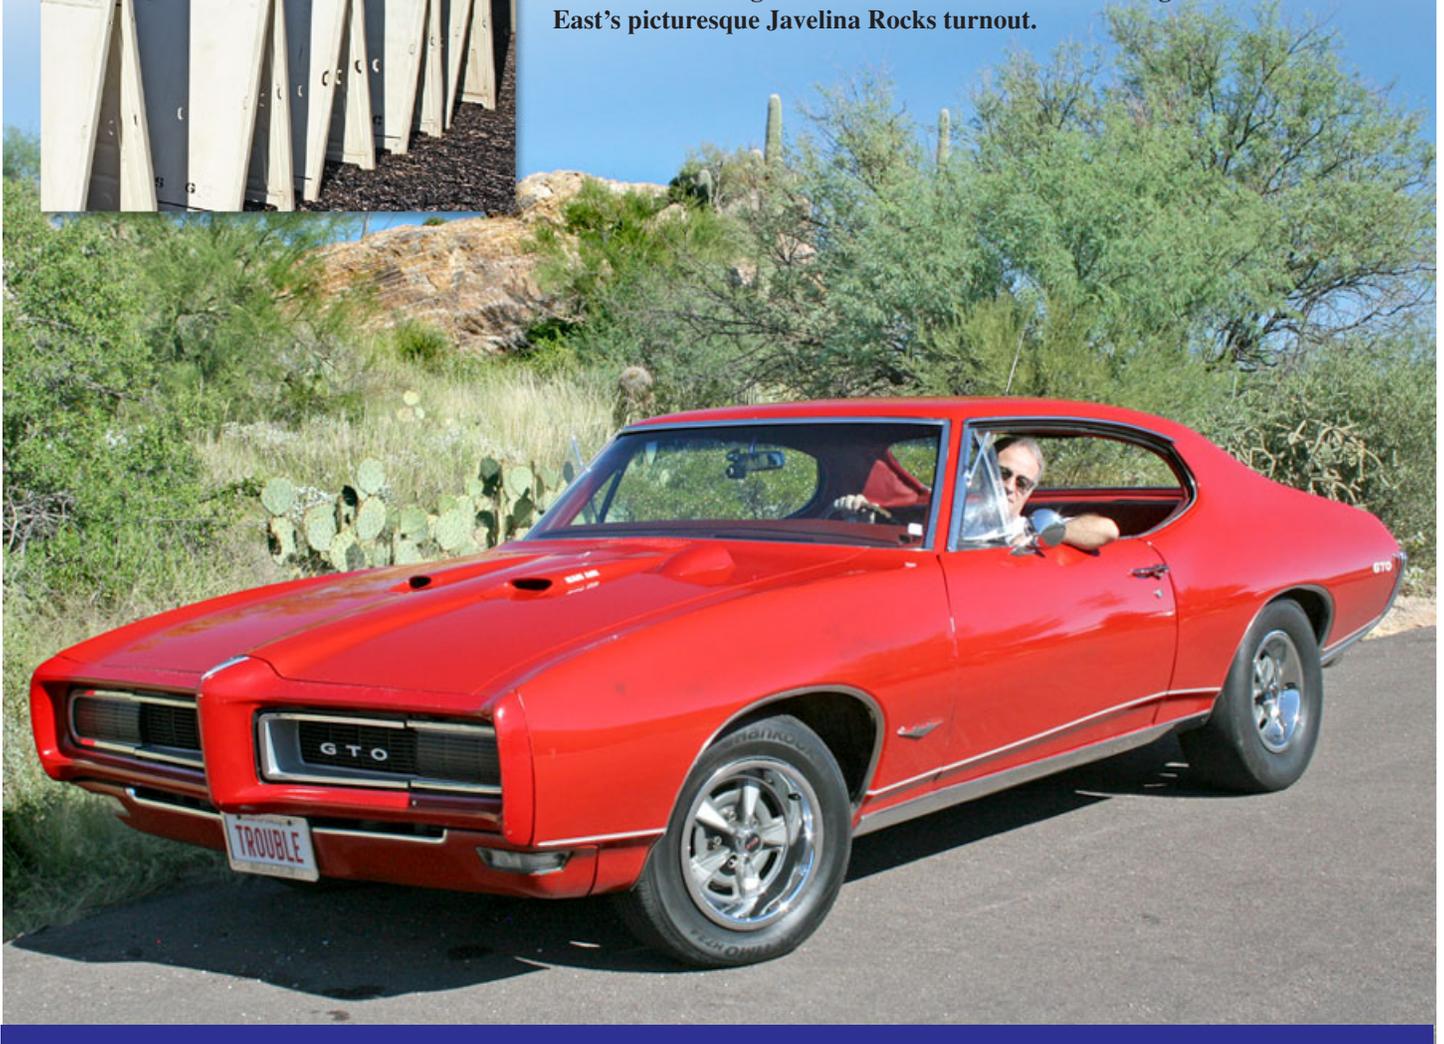

I would like to express my appreciations to **Dean Noun** for his generous club spirit and assistance over the past couple of years. Dean has been one of the Arizona Chapter's most active supporters of drag racing and has also authored a few tech articles and feature stories for *HOTAIR*.

One other invaluable task that Dean assisted with involved some tedious repair work to the club's big stack of "Sign-A-Cade" folding signs (pictured below). These A-frame signs were first used by our club to help direct vehicular and pedestrian traffic at our All-Pontiac and GMC Day in 2022. Prior to that event, the ABS plastic top hinges on each of these heavy-duty pieces needed repair, so Dean offered his skills and patience to get them fixed up in time. Not only did he provide the labor, he also donated the cost of the necessary metal hinge hardware to make these signs function like new again after they had been donated to our club.

More recently, Dean was our Silent Auction Coordinator at the Western Region Roundup, serving as the main point of contact for the many donations that were auctioned to raise funds for our two designated charities. *Thanks immensely for all your help, Dean!*

ABOVE: Dean Noun was elected as the Arizona Chapter's Vice President in 2022. **LEFT:** His handiwork enabled our Sign-A-Cade A-Frame sign holders to once again properly fold when not being used at a club event. **BELOW:** Dean and his bright red 1968 GTO "Trouble" at Saguaro National Park East's picturesque Javelina Rocks turnout.

ARIZONA CHAPTER 2024 DUES DRIVE BEGINS

When attending our January meeting, be sure to bring along your **2024 club dues!** Your \$18 check (or cash) should be payable to "Arizona Chapter Pontiac-Oakland Club." You may also mail your payment to Eric's address, as found on the front page of this newsletter.

SILENT AUCTION WRAP-UP THIS MONTH...

Just a few odd items remain available from our recent Roundup's **Silent Auction.** Those items will be displayed at our January 10th meeting and will be cheaply offered for sale on a first-come, first-served basis. Cash or checks okay.

ROUNDUP SOUVENIRS AVAILABLE

As we continue to wrap-up the 2023 POCI Western Regional Roundup, we have the following souvenir items available for purchase.

MAGNETIC DASH PLAQUES

Full-color 4x3" logo features a 1964 GTO, 1954 GMC Truck and 1924 Oakland Runabout. These flexible, magnetic plaques look great on your toolbox or refrigerator. Priced at two for \$3.

FULL-COLOR ROUNDUP T-SHIRTS

Less than a half-dozen of our limited edition full-color T-shirts remain available, priced at \$10 each. Choice of **Medium or XL sizes only.** (Sorry, no additional shirts will be produced.)

The above items are being offered on a first-come, first-served basis to all POCI members. To purchase any of these items, contact Thom at (520) 798-3200 or email: output@colorteks.com.

THREE NEW POCI CHAPTERS APPROVED!

POCI's Board of Directors just last month approved charters for two new **POCI Specialty Chapters** plus one long-overdue **Regional Chapter.**

Each of the two Specialty groups has a connection to our very own Arizona Chapter. First, we congratulate member **Shano Sancibrian** who assisted with the formation of the all-new **Original Owners Chapter #110.** This group is open to any POCI member worldwide who has remained the original owner of his or her Pontiac or GMC Truck since new.

Secondly, we congratulate Arizona Chapter member **Richard Johnson** for leading the charge to form the all-new **Fiero Owners Chapter #109.** This group is open to any POCI member worldwide who is a fan of the mid-engined 1984-'88 P-car; ownership is not required.

In the Regional category, we've just learned that the all-new **Las Vegas Chapter #111** was given fast-track approval by POCI's Board at the same time as the above two groups. **Robin French** is the torchbearer for the new Las Vegas group. She was inspired to do so following her visit to our Roundup in Tucson this past November. The formation of her chapter now provides Nevada with a second POCI outlet that includes the earlier Silver State Chapter which is based in Reno. Congrats to all!

ROUNDUP PRIDE: In Review • Part 2

Last month, we began our chronological review of the POCI Western Regional ROUNDUP Meet with coverage of Thursday's events plus some Friday scenes. Let's pick up our coverage again beginning with even more photos from the Friday Night POCI Fun Night Social Hour inside the Truly Nolen courtyard. Many thanks to everyone who shared their photos for publication!

CLOCKWISE FROM TOP RIGHT: The Roundup's official Souvenir Event Program was included in all registrants' Goodie Bags; Our POCI Fun Night Banquet on Friday began with the Social Hour inside Truly Nolen's courtyard. Featured there was the POCI Spirit Contest with Lou and Debra Feldman serving as our Masters of Ceremonies. The top two "most spirited" dressed attendees received cash prizes. A third place prize was added at the last minute to recognize the large number of participants who were wearing Hawaiian-style shirts, including John Francen.

CLOCKWISE FROM UPPER RIGHT: More views from the Friday Night POCI Fun Night Social Hour, including Kelly & Joe Findysz, John & Becky Dodt, Dave Bertram, Charles Bolten and Kevin Judge; After dinner, Arizona Chapter President Thom Sherwood introduced POCI Western Region Directors Ron Berglund and Mark Crutcher; Smoke Signals magazine editor Tim Dye was our featured speaker for the evening, providing his entertaining “Musings from the Museum” presentation plus an update on his new, second Museum in Michigan.

SATURDAY CAR SHOW:
From Right are Tim Keating’s 1968 Firebird, Cesar & Jackie Hernandez’s 1972 Luxury LeMans, and John Gagnon’s 1973 Firebird Formula

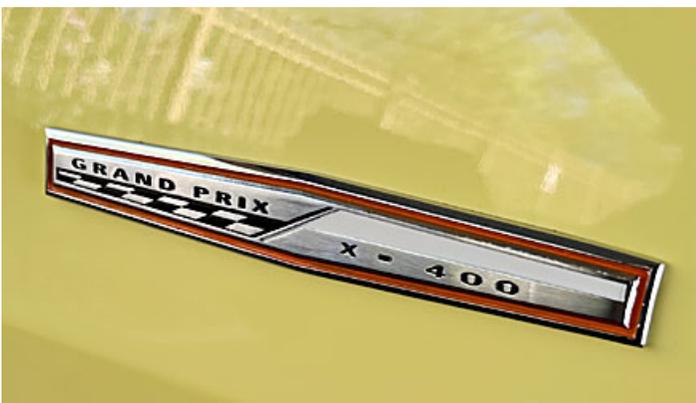

CLOCKWISE FROM UPPER LEFT: Dave Bertram's resto-modded 1958 Bonneville Sport Coupe; VIP guest speaker Jeff Sawruk had a massive sale of diecast NASCAR collectibles that came from his late father's collection; Don Voss's 1962 Grand Prix; There were no fewer than six judging classes for the numerous GTOs on display; Dan Wade's show-stopping 1940 GMC Truck COE (Cab Over Engine) was a pure delight with its Southern Arizona "White Pole Trucking" livery theme, custom sleeper cab, and several period-correct accessories.

CLOCKWISE FROM TOP RIGHT: Encircling the Truly Nolen World Headquarters campus for our car show, registrants had ample room to display their four-wheeled entries. Included here are Dave & Sue Green's 2002 GMC Sierra SL and David Lynch's 1932 Pontiac 402 Street Rod; John Frenette's V8-powered 1987 Fiero GT featured Lamborghini-style doors and many other custom touches; "FrankenGoat," as formerly owned by Steve Disch, made a late afternoon appearance at our event following its encore reception at this year's Cops & Rodders show; Mike Lamberth's 1977 Can Am; Bill Schoening's one-off 1963 X-400 Factory Experimental was treated to its first-ever post-restoration drive on a city street. It was rewarded with our event's Best of Show Award. Arizona Chapter member and Smoke Signals columnist Gerson Goldberg preparing for the Roundup's final Saturday afternoon seminar.

BELOW: The Old Pueblo Trolley Company played a major role in getting our Ladies Luncheon attendees transported to the Hungry Fox Diner by offering the use of the restored 1938 Yellow Coach (as built in Pontiac, Michigan). OPT's Mark Hart displayed his scale collection of GMC and Yellow Coaches, but the star of the show was their recently painted 1956 Greyhound SceniCruiser — marking the first known instance of one of these rare GMC buses (only 500 built) being shown at a POCI convention!

CLOCKWISE FROM TOP RIGHT: Arizona Chapter members prepare for the Silent Auction offerings on Saturday night; POCI President Ron Berglund and Willa attended from Idaho; our Saturday Italian buffet was enjoyed by nearly 200 diners; the catering crew from LeGrande Café; the Roundup's very special surprise guest speaker was Kat DeLorean, daughter of PMD director John Z. DeLorean; Custom full-color plaques were awarded to first-second-third places in a total of 36 show classes.

HOLIDAY PARTY REVIEW: CELEBRATING THE SEASON! • SUNDAY, DECEMBER 17, 2023

The Arizona Chapter once again gathered at the Viscount Suite Hotel in Central Tucson for its annual **Holiday Party**, held Sunday, December 17th. A total of 42 members and guests were present to enjoy the festivities, merriment and the delicious Chef's Buffet.

Following the group photo and meal, **President Thom** presented member **Les Jarvis** with an extra large photographic framed print to commemorate his Grand Prix's appearance on the cover of the December 2023 issue of *Smoke Signals*. Les was also recognized for his generous donation in support of the Roundup (which he was regrettably unable to attend at the very last minute).

Special thanks go out to **Dave Green** for providing our fun door prizes and take-home gifts. More appreciations go to **Jack Johnson** and fiancée **Cat Lanigan** for their outstanding efforts to provide our afternoon entertainment and

games that included a mystery gift shuffle for each table plus a humongous Pontiac-themed crossword puzzle.

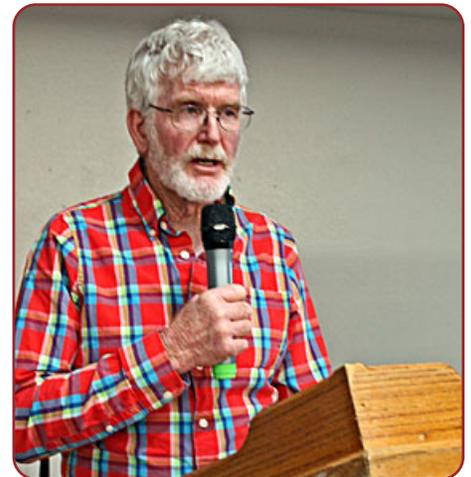

Finally, we wish to express the deepest appreciations to an **anonymous donor** whose generous financial contribution helped offset the cost of our buffet meals. *Thank you so much!*
